

CRITERIA FOR SELECTION OF VICTOR AND VICTRIX LUDORUM AWARDS

- Prospective recipients must have competed in a minimum of half the number of graded shows within the year of selection.
- SANEF Schools Shows will not be taken into account.
- Highest score achieved. The scores will be added up and divided by the number of required shows.
If a vaulter competes in more than the required number of shows, the lowest scores will be dropped until the required number of shows is reached and then the scores will be added up and divided as above.
- In the event of a vaulter competing in the requisite number of shows in two grades, the higher of the two grades competed in will count.
