### Hi To All Central Members,

Two months into the year and despite the wet weather, Central riders continue with their dedication to their sport.

### Central Region – 2009 AGM & Awards Evening

A Big Congratulations to all of our Teams across all our disciplines, who made it possible for us to win the very first overall Inter Regional Trophy! Donated by, Northern's Chair, Sheleph Burger.

## **The Rand Hunt Club**

Every Sunday, The Rand Hunt Club holds a Drag Hunt around ICB in Kyalami and at other nearby venues. The Hunt is made up of lines and checks, the Drag Master on horse "drags" a fodder soaked cloth and lays a scent for the Hounds to follow. The riders follow the Hounds led by the Hunt Master, Margie Marshall. A large group of cars follow the Hunt too, this is the group I'm sure that have the most fun! After the Hunt is over a very social breakfast is held. A most relaxing morning is had by all and yet another way for our riders to be on horseback.

Anyone interested is most welcome to join.

## **Facebook**

A Central Facebook page has been started. This way all members may post pictures of their horses and results from shows. Join our group it's a really great way get to know each other as well as post questions that you may have and share knowledge, stories and information.

The group is under Gauteng Central Region – Equestrian. Simply type this into the search tool bar on your Face Book home page, and click join group! We are looking forward to seeing pictures of yourselves and your horses, hearing about your achievements from previous and forthcoming shows.

## **A Quick Thought**

*"Challenging and dangerous, galloping as fast as you can, jumping over barriers, and trouncing through sand, my beautiful horse, my handsome steed, this is the true freedom I want, and the only one that I need." By [Adam Smith](#)*

**"No hour of life is wasted that is spent in the saddle." ~Winston Churchill**
