## Junior and Pony Rider Show Jumping

The show jumping year is now well and truly underway and it was wonderful to see our West riders performing so well at the Novice, and Medium/Open Festivals. Many of our Pony Riders have been doing very well at the Schools League. The selectors are now beginning the process of compiling our long lists. It is easy for us to monitor results for the Higher Graded Riders but very difficult to compile lists at 50, 60 and 70. So yet again we appeal to all riders and parents of younger riders to send us results for these heights.

The Easter Show will be our first really big show and we hope that we will have some healthy long lists after that show. Remember that Inter Regionals are in August and September so if you are aiming to be in a team you should start planning your grading now. You cannot perform well at say 90 and then 3 weeks before Inter Regionals upgrade to 1m and still expect to make a team.

The most important criterion for selection is consistency of horse and rider as a team.

Good luck to all riders competing over the next few weeks and remember PLEASE send us your results.

Wishing you safe and happy riding.
