Sweet Treat Horse Cookies

Prep Time: 15 minutes

Cook Time: 10 minutes

Ingredients:

- 1 1/2 cup all purpose flour
- 1 cup bran
- 1 cup molasses
- 1 cup grated carrot or apple
- Sugar

Preparation:

- Preheat oven to 375F
- Oil two cookie sheets
- Put aside a small bowl of white sugar and a drinking glass with a flat bottom.
- In a large bowl mix all the ingredients thoroughly. The mixture shouldn't be too wet, and should stick together. Add more flour to make the mixture firmer and hold it together if necessary.
- Drop by teaspoonfuls, about 2cm apart on the greased cookie sheet. Grease the bottom of the glass, dip it in the sugar, and stamp the cookies to flatten them slightly.
- Bake for about 10 minutes

This makes about 25 cookies, depending on the size. Store your cookies in an air-tight container or bag.

Good luck to all the West riders competing in The 2010 South African Pony Rider and Junior Derby

West Registration 2010

If you have not yet registered with us, please do so now. Due to circumstances out of our control we do not have all the west riders contact details. Registering will confirm your availability for selection and help us to update your details on our database. **If we do not know about you, we cannot select you.** If you own a riding school or a yard, please contact us and have all your riders registered with us. In many cases we do not know which disciplines you would like to be considered for. The registration form and contact details are on the GHS website under West Region.
