# Selection Criteria 2010

## GHS GAUTENG NORTH SELECTION CRITERIA 2010

### ▪ DRESSAGE (Chairperson: Eino Vuorinen)

Gauteng North Open Regional Shows and all graded shows will be taken into consideration. Riders must be registered at GHS by selection time (to register takes about three weeks). Final team selection will be at the committee's discretion. Riders must send in Score Sheets.

### ▪ EQUITATION (Chairperson: Petro Dednam)

Selection to be done on results of graded shows. Final team selection at the discretion of the committee. If need be, Regional Open Equitation Show results will be taken into account for lower grade team selection. Riders must send in Score Sheets.

### ▪ EVENTING (co-opted Chairperson: Ernette Muller)

Selection criteria to be advised.

### ▪ REINING

Selection criteria to be advised.

### ▪ SHOWING (Chairperson: Cecilia Michaletos)

Both the higher and lower inter-regional teams will be selected using points and consistency at shows. The final team selection however will be at the discretion of the committee.

### ▪ VAULTING (Chairperson: Kim de Villiers)

Selection for Lower Inter-Regional competition will be done based on the results of the three (3) Gauteng North Open vaulting shows as well as GHS graded shows. The size of the show will impact the amount of points allocated to the competitor based on their performance. Selection for Higher Inter-Regionals will be made based on GHS graded competitions. Riders must already be registered at GHS by the time selection is done to be eligible for team selection (to register takes about three weeks). Final team selection will be at the committee's discretion.

### ▪ SHOWJUMPING (Chairperson: Alet Herbst)

All showjumpers who want to be considered for Gauteng North teams this year, need to register themselves and their respective horses/ponies. Please fill in the relevant form and send it to [noblecreekequestrian@gmail.com](mailto:noblecreekequestrian@gmail.com) or fax it to 086-675-3990 ASAP. We also need everyone to submit their score sheets on a monthly basis. Everybody's co-operation is needed to make sure that, this year, the best jumping teams are selected. Please submit all your jumping show achievements (placings, double clears, all penalties) from 1 August 2009 (excluding your Inter-Regional and SANEF Schools' Finals Achievements). For the lower grades, include all training shows you have attended as well. These should be sent to [noblecreekequestrian@gmail.com](mailto:noblecreekequestrian@gmail.com) or faxed to 086-675-3990.

All the data from the score sheets are going to be captured in a database. Using the points system, this will help us identify the Top 10 of each grade/height.

The last 2-3 months before selection we are going to identify which combinations (riders/horses/ponies) are on top form and consistent in their jumping. The teams which are going to be selected need to be in top form at the Inter-Regionals.

Results from GHS approved, graded show holding venues will carry the most weight and will be used in the initial selection. However, riders may submit results from other shows for consideration as per the general selection criteria rules of Gauteng North. This will include all SANEF school shows for Pony Riders and Juniors. Final Team selection will be at the Gauteng North Committee's discretion and the selectors have full discretion to choose the team which, in their opinion, will be most likely to win. The names will be published soon after they have been selected.

We are planning **four** Gauteng North shows at PEC and dates are 27/28 March, 17/18 April, 12/13 June and 10/11 July.

**Emphasis** will be placed on **consistency** (placing/clear rounds) and **current form**.

Teams selected by the selectors must be approved by the GHS Gauteng North committee before the announcement of the teams.

**BLUE IS BEST - BLUE needs U!**
