### **Syrian Children's Friendship Jumping Event**

Cailin Fensham won the 2010 RSA Leg of the FEI Jumping Challenge on her lovely pony Magic Rambo last year in July at Kyalami Equestrian Park.

Cailin qualified to partake in the 2010 FEI Children's Jumping Final to be held in Damascus, Syria to be held in February 2011.

This is a prestigious event with riders from all over the world and would start on the 14<sup>th</sup> February to the 21<sup>st</sup> February with Opening and Closing Ceremonies and many other fantastic events.

Regrettably the FEI had to pull out of endorsing this competition due to the political situation in the Middle East the Syrian Federation after all the hard work and effort of the OC and riders preparation - assured riders their safety and carried on with the event Children's Friendship Jumping Championship.

Cailin qualified fifth highest for the Championship class out of riders from all around the world all competing on borrowed horses. Cailin jumped a clear round to join 6 other riders going through to the jump off. She went on to win the Championship. Well done Cailin on your fantastic results.
